

## **Worship Change for This Coming Weekend, July 17 & 18**

As you may be aware, many physical changes are taking place at Mt. Olive. Not only does this include the rearrangement of classroom spaces, but also the recovering of the floors in the Gathering Area (Narthex) and Worship Area.

We had hoped that the redoing of the floors would largely be completed before this coming weekend. However, despite best efforts, the floors will not be ready for the traffic of the worship services on Saturday and Sunday.

Therefore, *for this weekend only*, we will have a **SINGLE worship service on SATURDAY, July 17<sup>th</sup>, at 5:00 pm, downstairs in the Fellowship Hall**. We chose this service because it is the scheduled communion service for this weekend.

### **Please use:**

- The **school doors** to enter the building.
- The **elevator** across from the School Office  
or the **stairs in the Early Childhood Wing** to come downstairs.
- The **hallway under the Early Childhood Wing**  
to access the Fellowship Hall under the Worship Area.

Please note that the Fellowship Hall is in use for Summer Camp, as well as temporarily storing some of the School Library materials. Consequently, it will not be “neat as a pin,” but it will be adequate for the receiving of the Lord’s Gifts in His Divine Service.

If you have friends or acquaintances who often attend worship services at Mt. Olive but who may not pick up this notice via email or the MtO website, please give them a call and make them aware of this weekend’s worship change.

God’s blessings to you all, and see you on Saturday!

Your Brother in the service of Jesus,

*Pastor Mark Kleckner*
