We are again partnering with Shepherd of the Valley Lutheran and several other churches to collect School Supplies for the 2020-2021 School Year for Monroe School and also for Mount Olive students.

Monroe School is a Des Moines Elementary School with 80% of the population of diverse ethnicity. 100% of the students qualify for free/reduced lunches. Approximately 500 students attend Monroe with 100 teachers and support staff.

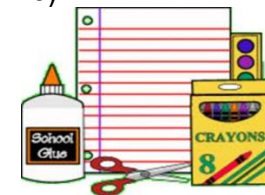

How can you help?

1. Become a partner. Purchase school supplies and deliver them to Mount Olive. (List of needs on the next page)
2. Make a financial donation for purchasing supplies. Make checks or donations to Mount Olive Lutheran designating Backpack Blessing.
3. Volunteer your time. Check with Becky Shoeman from Mount Olive or Marilyn Shults from Shepherd of the Valley for ways and times to volunteer.
4. Pray for the students, families, staff, and volunteers at Monroe School and at Mount Olive Lutheran School.

*Organized by the Mount Olive Lutheran Nurture Team
We support this endeavor which was initiated by
Shepherd of the Valley Lutheran Church in West Des Moines.
