### **Stewarding God's Gifts: A Plan to Care for Your Family and Support the Ministries You Love**

**Have you put off making a plan for what God has entrusted to you?**

Your home, savings, land, and other resources are gifts from God, given to you to care for your family and bless His Church. But many of us have not yet made a plan for how those gifts will be used when we are called Home. This webinar will help you take a faithful first step. Led by LCMS Foundation gift planning counselor Leon Schoenfeld (Iowa District West), this session will explore ways to steward your resources in a manner that honors your faith, provides for your loved ones, and supports the ministries you care about.

In this webinar, you will:

- Understand what it means to steward your assets as a Christian
- Learn the difference between gift planning and estate planning
- See how thoughtful planning can care for family while also supporting ministry
- Walk away with simple, practical next steps
