Food Donations

Our food wall is growing! We will continue to collect non-perishable food items throughout the summer to donate to DMARC. Thank you for continuing to keep Mt. Olive summer campers and staff in your prayers as we teach and learn about compassion!

Thought of the Week:

"Therefore take heart, men, for I believe God that it will be just as it was told to me." Acts 27:25

Act 27:25 gives us one of the simplest definitions of faith in the Bible - believing that it will be just as God told us in His Word. His promises are unsinkable, and they will always keep our heads above water.

School Supplies for Mount Olive and Monroe School:

Yes, we are again joining with Shepherd of the Valley to help with school supplies. A list will be published in early July. No backpacks will be needed. Monroe School received many bottles of Hand Sanitizer without pumps. Request: please donate the pumps from soap bottles or other containers with pumps.. We will place a box on the credenza under the large bulletin board for collecting these pumps.

Thanks, from the Nurture Team
