Altar Flowers

This weekend's flowers are provided by the Prunty family in honor of all our great teachers and staff at Mount Olive!! We are so thankful for all they do!

College Students Addresses:

Please give the campus address to the Mount Olive Office. If your student is commuting from home, please share this information. Thanks.

Thought of the Week

"Now may the Lord of peace Himself give you peace always in every way. The Lord be with you all." 2 Thessalonians 3:16

Regardless of what is going on in the world, you can confidently place your hope and confidence in Him for your life. He will be with you, bringing peace, comfort and strength into your life. He is "the Lord of peace."

MOUNT OLIVE CELEBRATION!

Please keep Saturday, September 25, 5:00pm on your schedule. Fellowship, worship, great food and games for the children all shared with our Mount Olive Christian Community will make for an enjoyable experience and an opportunity to make new friends. See you there!

Backpack Blessing

Thank you for assisting with the Backpack Blessing project. We saw huge smiles as the students selected their backpacks. The teachers and staff of Monroe school appreciate your support. The prayer event this past Tues. was uplifting also.

We have an exciting story to share!

There was a shortage of school supplies and a "bread and fish miracle" was needed. Yes, it happened! A school in Waukee had been given 150 filled back packs that were not needed. A teacher from that school had a family member teaching at Monroe and offered these supplies to Monroe. A quick trip was made to the Waukee School and the supply needs were met. Opportunities to Serve

There are still opportunities to serve your Lord by assisting with the *Mount Olive Celebration Evening*. Help set up and/or tear down, serving food, assist with games or providing cupcakes, muffins or cookies. Sign up online at molcs.org or see the sign up sheet provided in the Narthex.

Thank you

Thank you so much to everyone who helped clean up Saturday's mess left by passing storms. Despite having a tree down, we were able to have it removed in no time.
