

GRANT #4 – SERVING HUNGRY CHILDREN WITH MEALS & THE GOSPEL - \$12,000

Jesus commanded the disciples to feed the hungry people who had come to hear him speak in Matthew 14:13-20

Mercy Meals of Siouxland has made feeding the hungry their mission since 2012. As many as 14,000 children worldwide, die each day of starvation, most not knowing our Lord. Mercy Meals are packaged by volunteers at Faith Lutheran Church in Sioux City. The scientifically designed formula contains rice, soy, and a nutrient-filled vegetable powder that helps malnourished children thrive. Mercy Meals hopes to package 350,000 meals in 2020. Delivering meals in the U.S. and around the world, through Christian organizations, assures that children and their families hear about Jesus our Lord, and receive nutritious food. To volunteer for packaging events, email Larry Joines at mercymealsofsiouxland@gmail.com

Merciful Lord, You execute justice for the oppressed and give food to the hungry. Multiply these mites we give to supply and deliver life-saving meals through the service of Mercy Meals of Siouxland, and open the hearts of those who receive Your goodness, that they may also receive You as the Bread of Life, and the nourishment of their faith for Your praise. Amen

2020 – 2022
