## Lunch Accounts

Because our lunch system is not on a shareable google doc this year, I will be emailing you individual lunch account updates. If you haven't paid for lunches yet for this year, please email [school.office@molcs](mailto:school.office@molcs) if you have any questions on how to do so.

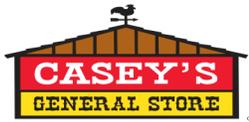

## School Yearbook

This year we are very excited to let you know that we are using TreeRing for our 2020-2021 yearbook. Feel free to download the TreeRing app onto your phone in order to share some of your favorite pictures. One of the perks about using TreeRing is that those who purchase a yearbook will be able to custom create two additional pages specifically for their family with no additional cost. Please look for more information in next week's newsletter. It will include a special ordering opportunity to purchase the yearbook early at a discounted cost.

## Young Investor's Club

Since we will not be having Muffin Fridays, the YI Booth will not be open. If your child would like to add money to their savings account, please let Miss Barlow know.

The Young Investor's club is a great way to get your children saving. If you have any questions on opening an account for your little one, please contact Miss Barlow at [sue.barlow@molcs.org](mailto:sue.barlow@molcs.org)

## Casey's Rewards

You can download the Casey's App to become a reward's member and earn money for your school! You will earn 10 points for every dollar spent. This is an easy way to raise money for your school.
